Course Description

As an owner operator or fleet manager, you must know who your local, state, and federal transportation agencies are. You must also know their purpose, and your responsibility for being in compliance with each one to prevent losing your privilege to operate CMVs. This course is instructor guided and hands on to help you get started. You will have the opportunity to ask questions and receive one on one assistance with creating the necessary portal profiles for your company.

Required Materials

- notebook
- pen or pencil
- Laptop or tablet
